

Election form for exchange of information

I agree to exchange of information

Please **only** complete and return this form if you want to choose the **exchange of information** option instead of having **retention tax** deducted from your **savings income**. **We recommend, if you are in any doubt about the EU Savings Tax Directive or its implications, you seek independent, professional advice before completing and returning this form.**

Under this option, you will continue to receive interest without retention tax being deducted and we will pass certain information about you and your **savings income** to the tax authorities. They may subsequently compare this information with the figures included in your tax returns.
