Glossary

The following words are used throughout these Terms and have the following meanings:

The meaning of certain words used in these Terms

- An **Annual Equivalent Rate (AER)** is a notional rate used for accounts on which we apply interest on any cleared for interest credit balance and shows what the gross interest rate would be if it was paid and compounded each year. The interest rate may be negative, which means the amount calculated will be taken from the account.
- An **arranged overdraft** is a limit on your current account we agree with you in advance that allows you to borrow money up to that agreed limit.
- **Arranged overdraft interest** is interest that we charge you for using your arranged overdraft.
- A **business day** means Monday to Friday excluding bank holidays in the United Kingdom and bank or public holidays in the jurisdiction in which your account is maintained. Some services may be used on non-business days but transactions carried out on such days will be treated as carried out on the next business day.
- Your **charging period: we calculate and apply interest and other charges periodically to your account on the basis agreed between us**. You can find out your charging period by contacting us.
- **Conflicting claims**: if we consider that any of the money in your account is or may be the subject of a claim by someone else we can take any steps we consider necessary to protect ourselves, which may, for example, include the taking of legal advice for our benefit, and asking a court to decide to whom the money belongs. If we take that action we will be entitled to act on any judgement or order of the court and any money we pay from your account as a result will be as if we had received your valid instructions to make the payment. Until the court makes any judgement or order we do not have to act on your instructions to pay money from your account and we will have no liability to you if we refuse to do so. We have the right to take from your account all costs charges and legal expenses we incur under this Term.
- We may allow you extra time to comply with your obligations or decide temporarily not to insist on any of our rights but if we do we are still entitled to ask you to comply with these Terms in full at any time afterwards and we are not obliged to act in the same manner subsequently.
- **Cleared for interest purposes** means that we include a cheque paid into your account in your balance when calculating any interest we will apply to your account.
- **Cleared for fate/cleared for funds** means a cheque you have paid into your account cannot be returned unpaid and debited to your account.
- The **European Economic Area (EEA)** is a collection of countries. The countries in the EEA are all the countries in the European Union plus Iceland, Liechtenstein and Norway.
- The **Effective Annual Rate of Interest (EAR)** is the actual yearly cost of arranged overdraft interest because it takes into account that we charge interest monthly. This means that you'll pay interest on any interest that has been added to your arranged overdraft balance in the previous monthly charging period. It doesn't take account of any additional fees we may charge (for example, the Arranged Overdraft Usage Fee).
- The **gross rate** means the interest rate we use to calculate interest on cleared for interest credit balances on your account and does not take into account any tax which we may have to deduct. The interest rate may be negative which means that the amount calculated will be taken from your account.
- The **Nominal Rate** is the annual rate of interest you'll pay for your arranged overdraft, (it doesn't take into account that you'll pay interest on any interest that has been added to your arranged overdraft balance in the previous month).
- A **Direct Debit** is a payment set up on your account following a request from an organisation. You may be asked to sign a form which authorises the organisation to request payments from your account.
- A **payee** is the person you intend to pay (for example, the recipient of a Direct Debit).
- A **payer** is the person or organisation you receive a payment from.
- A **quick deposit facility** is a cash machine which allows you to pay cash or cheques into your account.
- A **cash and deposit machine** is a cash machine which allows you to pay cash or cheques into your account.
- An **unarranged overdraft** is an overdrawn balance on your account which you didn't arrange with us in advance.
- Where we refer to **you** this includes each entity (such as a limited company) or account holder (such as a joint or partnership account with us). **You** also includes any third parties you've authorised to act on your behalf where the term relates to giving us instructions.
- Unless we agree in writing we will not consider or advise you whether any account or other product you choose to take from us meets your needs. We will not advise on any tax consequences or issues which may affect you if you take one of our accounts or products. You should take your own independent professional advice.
- A **protected customer** is given extra rights by law. You may be a **protected customer** if your account is with our London or Luxembourg branches **and** is:

- a microenterprise, which is a business (or a group of businesses of which it forms part) whose annual turnover and /or balance sheet total does not exceed €2 million (or the equivalent in Sterling) and employs fewer than 10 people;
- a charity whose annual income is less than £1 million; or
- a small trust which is one with a net asset value of under £1 million.

If you are not a **protected customer** and your place of business is within the EU and/or your account is with a branch of the Bank in Gibraltar by requesting us to open or allow the continued use of accounts governed by these non personal terms you agree we can opt you out of the Payment Service Directives and implementing Regulations in so far as we are able.

- **SEPA** is the Single European Payments Area in which you can make and receive payments in Euro under the same basic conditions, rights and obligations. SEPA payments are currently offered from the UK, Luxembourg and Gibraltar based accounts only.
- A **standing order** is when you tell us to pay a fixed amount to someone straight from your account at regular intervals. You specify how much, how often and for how long the payments will continue.
- **We, us or our** means The Royal Bank of Scotland International Limited trading as NatWest International.

Our services are not offered in any jurisdiction where their advertisement, offer or sale is restricted or prohibited by law or regulation or where we are not appropriately licensed.

GENERAL TERMS

1. INTRODUCTION

1.1 Your agreement with us

These Terms form part of the agreement between you and us. The following also form part of our agreement:

- any mandate for your account;
- the charges tariff that applies to your account;
- the interest rate that applies to your account;
- any overdraft agreement setting out the terms of your arranged overdraft, and
- the Mobile Banking Terms

Please ask if you need up-to-date copies of these Terms. You can also find them at natwestinternational.com/terms

The Terms are split into two parts:

- General Terms (which apply to all accounts unless otherwise stated); and
- Account Specific Terms (which apply to particular accounts only).

If an Account Specific Term is inconsistent with a General Term, the Account Specific Term will apply.

1.2 The law that applies to your account

These Terms are governed by the laws of the jurisdiction in which the branch where your account is held is located, and the courts there have non exclusive jurisdiction, although the Bank may take proceedings against you in any court.

If your account is in Jersey or Guernsey the agreement is entered into between us for cause

The Payment Services Directive (“PSD”) from the EU provides consumers with rights and protection when using payment services. If your place of business is within the EU and/or your account is with a branch of the Bank in Gibraltar by requesting us to open or allow the continued use of accounts governed by these non personal terms you agree we can opt you out of the PSD and implementing Regulations in so far as we are able.

2. USE OF ACCOUNTS AND GIVING US YOUR INSTRUCTIONS

2.1 Use of your business account

Your account must be used for business purposes only.

Deposit accounts must not be used for receiving day to day payments, clearing cheques or paying in notes or bulk coinage. If we believe that you are using your deposit account for these purposes, we may refuse to accept payments into the account and/or convert your account to a different account type.

2.2 Giving us your instructions

If they’re given to us in accordance with the authority we hold for your account, we’ll act on your instructions.

You can give us instructions in a number of different ways including in writing, by cash machine, by telephone, online, using your mobile phone, by card or by any other means we tell you are available. Some online instructions may need to

be made using your card with your card reader device.

You can also give us instructions through third parties you've authorised to act on your behalf, for example third party providers (such as account aggregation services)

2.3 Sending a CHAPS payment

2.3.1 CHAPS payment instructions are received ("**Received**") once we receive the instruction, rather than when they are sent by you. If we receive your CHAPS instruction: (a) before the published cut-off time it will be processed on the same business day (b) after the published cut-off time or on a non-business day it will be processed at the start of the next business day. For a CHAPS future dated payment the instruction will be treated as Received and processed at the start of the business day that the payment is due to be made

2.3.2 Your account will be debited on the same business day your instruction is processed. Your available funds will be reduced by the amount of the CHAPS payment (including any charges) immediately.

2.3.3 The CHAPS payment will be sent that business day to the payee's bank or provider for payment, who will make payment in accordance with their own terms of business.

If you ask us to make a payment (including standing orders and other regular payment instructions set up on your account) and the payee has switched accounts using the Current Account Switch Service, we'll normally update the account details of the payee on your payment instruction, but if your instructions are received through our eQ or ibanking service we are unable to change the details automatically. In that case we will write to you with the new details.

2.4 Delaying or refusing to act on your instructions

We'll always follow your instructions, unless:

- we reasonably believe that you didn't give the instruction;
- we reasonably suspect the instruction is fraudulent;
- we reasonably believe it's prudent to reject your instruction in the interest of crime prevention;
- your instructions are unclear or incomplete;
- we reasonably believe following your instruction would mean that we breach a law, regulation, code or other duty that we must comply with;
- you request an unarranged overdraft and we decide not to accept your request;
- a restriction which applies to your account prevents us from following your instruction (for example, we may not accept certain payment instructions on deposit accounts);
- we're told about a dispute between joint account holders (for example, partners on a partnership account) which means the account can't be used until the dispute is resolved; or
- you've broken any term of our agreement in a serious way.

If we don't follow one of your instructions, we'll usually tell you. If you'd like to understand why we didn't follow your instruction you can call your relationship manager or business manager or speak to a member of branch staff. If we can, we'll explain why we didn't follow your instruction, unless there's a legal or security reason which means we can't provide an explanation.

You may only give us direct debit instructions to process debits originated in sterling and operated by BACS Payment Schemes Limited (or any successor organisation). We may refuse to accept other Direct Debit instructions or instructions on Deposit or other non-payment accounts.

3. PAYING MONEY INTO YOUR ACCOUNT

3.1 Electronic transfers in GBP

If we receive an electronic transfer for a GBP payment by 6pm on a business day, the money will be available for you to use and will start earning credit interest (if payable) on the same day. Faster Payments will usually be credited to your account immediately we receive them. If we receive a CHAPS payment for your account we'll check the transaction and, if approved, the CHAPS payment will be credited to your account on the day of receipt by us.

For further information on our cut off times, including currencies other than Sterling, please refer to your Relationship Team.

3.2 Transfers between your accounts

If you instruct us to transfer money from another account you hold with us, the money will be available for you to use and will start earning credit interest (if payable) as follows:

For details of payment cut off times, please speak to your Relationship Team or usual point of contact.

If we receive an instruction from you to transfer money in different currencies between foreign currency accounts you hold with us, the money will be available for you to use and will start earning credit interest (if payable) within two business days from the date of conversion from one currency to another.

If a payment is received in a currency different to that of your account it may be converted to the currency of the account at the reference rate of the day.

We may credit your account on receipt of a payment instruction but before we are paid by the remitting bank. If the covering funds from the remitter's bank are not received we may debit your account with the funds advanced to you in full. For the avoidance of doubt we may also debit your account with any costs interest or other charges we may incur.

We will apply the value date to credits to your account that are requested by the remitting bank unless we are unable to do so because the cut off time for that value date and currency has passed when we process the instruction.

If we pay a credit to your account because we have received a payment notification of funds received for you from a remitter but we do not receive a properly authenticated payment instruction authorising us to credit your account (or we subsequently become aware of information which was not known to us when we credited your account) we may debit your account with the payment and any costs interest or other charges incurred.

If we receive a payment instruction to credit your account but any of the information it contains is incomplete unclear or illegible we may refuse to credit your account but return them to the remitter. We will not be liable to you or them for any loss suffered as a result. If we at our discretion decide to apply the funds to you we may debit your account with the payment and any costs interest or other charges if we do not receive a properly authenticated payment instruction.

3.3 Cash

Sterling cash will be available for you to use and will start earning credit interest (if payable) at different times depending on how and when the cash is paid into your account:

How is the cash paid in?	When will the cash be available for use and start earning credit interest (if payable)?
Branch counter (within normal branch opening hours)	Same day
Cash and deposit machine before 3:30pm on a business day	Same day
Cash and deposit machine after 3:30pm or on a non-business day	Next business day
Post Office® counter using a bank giro credit (available in Sark only)	When we receive the cash from the Post Office® (normally two business days after you pay it in)

3.4 Foreign currency notes

If you pay foreign currency notes into your foreign currency account, the foreign currency will be available for you to use and will start earning credit interest (if payable) at different times depending on how and when they are paid in:

How are the foreign currency notes paid in?	When will the foreign currency be available for use and start earning credit interest (if payable)?
Foreign currency notes in the same currency as the foreign currency account received by us before 3.30pm on a business day	Minimum of 5 business days
Foreign currency notes in a currency other than the currency of the foreign currency account received by us before 3.30pm on a business day	Minimum of 5 business days

Foreign currency notes can be paid in and withdrawn from your foreign currency account. Any charge for foreign currency note deposit and withdrawal may be taken from your account in Sterling or the currency of the foreign currency account.

This charge may be disproportionate where small sums are involved. You can get further information about charges for these services from your branch or relationship manager at any time.

We may credit your foreign currency account before examining and counting foreign currency notes. If we identify that there's a discrepancy between the amount of foreign currency deposited and the amount shown on the bank giro credit (for example, if the deposit contains forged or fraudulent foreign currency notes), we'll adjust your balance so that it reflects the actual amount of foreign currency that was deposited and inform you that we've made the adjustment.

3.5 Cheques

If a Sterling cheque from a UK bank or building society branch is paid into your account we'll process the cheque via either the "2-4-6" process or the new "Cheque Imaging" ("ICS") process. We've explained how this works in the tables below:

If your cheque clears via the "2-4-6" process:

Business day	What happens?
0	You pay the cheque into your account.
2	You'll start earning credit interest (if payable) on the amount of the cheque.
4	The money is available for you to use but may be removed if the bank or building society of the person who is making the payment to you decides not to pay the cheque. If they decide not to pay the cheque, they'll normally explain the reason to you.
6	After 3.30pm, the bank or building society of the person who is making the payment to you can't reclaim the payment (unless fraud is suspected).
<p>If a Sterling cheque is paid into your account after 3.30pm on a business day or on a non-business day, the "2-4-6" process will begin on the next business day.</p> <p>(For example, if you pay a cheque into your account at 4pm on Friday, it will be treated as being received on Monday and it will be available for you to use on Friday).</p>	
<p>If a Sterling cheque is paid into your account at a Post Office®, the "2-4-6" process will begin when we receive the cheque from the Post Office® (normally two business days after you pay it in).</p> <p>(For example, if you pay the cheque into the Post Office® on Friday, we'll normally receive the cheque on Tuesday and it will be available for you to use on Monday). You can only pay into your account using the Post Office in Sark.</p>	

If your cheque clears via the ICS process it will clear more quickly as follows:

Business day	What happens?
0	You pay the cheque into your account.
1	<ul style="list-style-type: none"> You'll start earning credit interest (if payable) on the amount of the cheque The money is available for you to use but may be removed if the bank or building society of the person who is making the payment to you decides not to pay the cheque. If they decide not to pay the cheque, they'll normally explain the reason to you. After 23:59 the bank or building society or the person making the payment to you can't reclaim the payment (unless fraud is suspected).
<p>If a Sterling cheque is paid into your account after 3.30pm on a business day or on a non-business day, the "Cheque Imaging" process will begin on the next business day.</p> <p>(For example, if you pay a cheque into your account at 4pm on Friday, it will be treated as being received on Monday and it will be available for you to use on Tuesday).</p>	
<p>If a Sterling cheque is paid into your account at a Post Office®, the "Cheque Imaging" process will begin when we receive the cheque from the Post Office® (normally two business days after you pay it in).</p> <p>(For example, if you pay the cheque into the Post Office® on Friday, we'll normally receive the cheque on Tuesday and it will be available for you to use on Wednesday). You can only pay into your account through the Post Office in Sark.</p>	

You will not be able to stop payment of a cheque processed by ICS once we have received the image of the cheque from the payee's bank for payment.

Whether cleared by the "2-4-6" or ICS process there may occasionally be legal reasons or limited circumstances beyond our control which stop us from receiving the cheque or cause delays to these time periods.

Cheques not written on a bank or building society branch based in the UK and foreign currency cheques follow a different process and will usually take longer than these timescales.

3.6 Business Quick Deposit Service

If you register to use the Business Quick Deposit Service to deposit cash or cheques into an account, we'll provide you with instructions on how to use the service and supply wallets on request. If you make a deposit using this service, you must include a completed bank giro credit in the wallet. The amount shown on the bank giro credit will be credited to your account as follows:

When do we receive the wallet?	When will the money be credited to your account?
Before 3.30 pm on a business day	<p>The amount shown on the bank giro credit will be credited to the account on the same day.</p> <p>Any cash will be available to use on the same day.</p> <p>Any cheque will start the clearing process on the same day.</p>
After 3.30 pm on a business day or on a non-business day	<p>The amount shown on the bank giro credit will be credited to the account on the next business day.</p> <p>Any cash will be available to use on the next business day.</p> <p>Any cheque will start the clearing process on the next business day.</p>
<p>The amount in the wallet may not be checked until after the account has been credited. If the amount in the wallet is greater or less than the amount shown on the bank giro credit or the wallet contains any forgeries:</p> <ul style="list-style-type: none"> • we'll adjust your account balance to reflect the difference; and • we'll try to tell you within five business days. 	
<p>You must not put foreign currency in a wallet.</p>	

4. PAYMENT OF INTEREST

We'll calculate and apply interest on money in your account if it's an account which attracts interest on credit balances. We'll set the rate for your account and will inform you of that rate when you open your account. You can request details of your current interest rate at any time.

Interest rate applied to a credit account may be stated to be linked to

- (a) A Reference Interest rate which is a published market rate, for example Bank of England Bank Rate
- (b) A NatWest International "Managed Rate" which is a rate set by us

Such rates will be applied as the variable interest rate (either Reference or Managed Rate) plus or minus an agreed margin. The combined rate may be positive or negative.

We may change interest rates on an account immediately without telling you in advance if there has been a change in a Reference interest rate. If we change the Managed Rate or a margin to your disadvantage we will give you 15 days' notice of the change,

Interest will be calculated daily, usually based on a 365 day year. If you have a foreign currency account, interest may be calculated on a 360 day year depending on the market practice of the currency concerned.

Interest will be applied to your account monthly, quarterly or annually depending on the type of account you hold. Please see the account specific terms for more details on when and how interest will be applied.

We reserve the right to apply a negative rate of interest. If we intend to charge negative interest, we'll always give you notice in accordance with the Account Specific Terms.

If you have a foreign currency account, interest may not be paid during periods of currency instability.

5. KEEPING YOUR ACCOUNT SAFE AND LIMITING THE USE OF YOUR ACCOUNT

5.1 What you need to do to keep your account safe

You must:

- keep all your security details safe (including your card PIN and any passwords or log-in details for telephone, mobile or online banking).;
- sign your card as soon as you receive it;
- keep your card secure at all times and not let anyone else use it; and
- when you're logged on to one of our online or mobile banking services, not leave the device (for example, the mobile phone or computer) you're using unattended and you must make sure that any information stored or displayed on your device is kept secure.

5.2 What you need to do if you think someone knows your security details or you've lost your card

If your card is lost, stolen or misused and, you think that someone else might know your card or security details or if you suspect that someone may have used your account without your permission, you must tell us immediately by contacting your branch, Relationship Manager, or by calling +44 (0)1534 620050. If you can't call us or visit your branch, you must immediately write to your account holding branch or Relationship Manager. We may suspend, restrict or stop access to your account or to certain services (such as your card or online banking) if:

- we reasonably believe that your security details or card details haven't been kept safe;
- we reasonably suspect that your security details or your card have been used fraudulently or without your permission;
- as a result of a change in the way you operate your account or in your financial circumstances, we reasonably believe that you may have difficulty in meeting your commitments;
- we believe it's appropriate in order to protect your account; or
- you've broken any term of this agreement in a serious way.

We'll tell you before or immediately after we take any of these steps. We'll also explain our reasons for doing so, unless we're unable to contact you or there's a legal or security reason which means we can't provide an explanation.

5.4 Notifying you of concerns

We'll do our best to contact you if we have any concerns about the activity on your account (such as any unusual transactions that we notice).

5.5 To reduce the risk of financial crime we will monitor activity on your account. If we suspect or become aware that your account may be subject to fraud or security threats, we will contact you via the contact number we have registered with us.

We will never:

- Phone you to ask for your 4-digit card PIN or your online banking password, even by tapping them into the telephone keypad.

- Ask you to purchase goods using your card and then hand them over for safe-keeping.

6. COMMUNICATIONS AND STATEMENTS

6.1 How we'll contact you

We'll contact you and provide communications to you (which will be in English) by any of the following means:

- post;
- phone;
- email to the email address you gave us;

- secure message to online banking;
- text message to the mobile phone number you gave us; or
- notifications through the mobile banking app.

Any documentation we send you by email, secure message or through the mobile app may be sent as an electronic attachment (for example, as a PDF). You should make sure that your electronic device(s) are set up to receive our communications (for example, they have the correct hardware, software, operating system and browser). All communication may be recorded.

6.2 Statements

We'll provide you with statements every month if you ask us to. Statements are available more frequently on request.

6.3 Contact details

If any of your contact details change, you should tell us as soon as you can to ensure you receive our communications.

7. TAKING MONEY OUT OF YOUR ACCOUNT

7.1 Withdrawals and payments

You can make payments or withdrawals if the available balance on your account (plus any available arranged overdraft) is sufficient.

You can withdraw cash from cash machines up to the daily cash withdrawal limit. This limit applies to withdrawals inside and outside the UK and we may change it from time to time.

You may make withdrawals from a deposit or non-payment account at the account holding branch. We may allow you to make withdrawals from another branch if you've submitted a written request to do so to your account holding branch.

7.2 About debit cards on your account

You can ask us to issue a card, or an additional card to a person you nominate.

Each card will display the name of the cardholder. You may only use the card issued in your name.

We may disclose information to any cardholder. This information will include, but won't be restricted to, details of your account.

When we send you a replacement card, we may issue it under a different card scheme (for example, Visa or MasterCard).

We'll convert any payment made in a foreign currency using your card into Sterling using the **Visa Payment Scheme Exchange Rate**. If you'd like to see the most up-to-date exchange rates you can visit [visaeurope.com/making-payments/exchange-rates](https://www.visaeurope.com/making-payments/exchange-rates).

7.3 Timescales for making card payments

We'll only take a card payment from your account when we receive the request from the payee's bank. This means there may be a delay between using your card to make a purchase and the payment being taken from your account. We'll take the payment from your account within one business day of receiving the request for payment.

If you claim a refund from a payee, we'll credit the amount of the refund to your account when we've been notified of the refund by the payee.

7.4 Cheques

You must not issue future dated cheques. If you do and a cheque is presented for payment, we may pay it before the specified date.

Foreign currency cheques are payable in the UK but may not be acceptable to overseas payees because of collection charges imposed by their own bank and delays in international clearing.

7.5 Timescales for making other payments

Where you instruct us to make a payment, you authorise us to use any payment or clearing system or intermediary bank that we may reasonably select.

Where a payment is made in Sterling and within the UK, we may use the Faster Payments Service which will mean that the money is added to the payee's account immediately. In limited circumstances (for example, we suspect fraud) the payment may take longer to reach the payee's account.

If the payment is to be made in the EEA (European Economic Area) and we don't use the Faster Payments Service, then the following timescales will apply:

Type of payment	When will the payment reach the payee's account following receipt of your instruction?
Sterling electronic payment to a UK based account or Euro electronic payment to another EEA based account received before 3:30pm on a business day .	By the end of the next business day.
Sterling electronic payment to a UK based account or Euro electronic payment to another EEA based account received after 3:30pm on a business day or on a non-business day will be processed by us on the next business day	By the end of the next business day after the payment is processed by us.
Sterling paper-based payment (for example, a giro payment) to a UK based account or Euro paper-based payment to another EEA based account received before 3:30pm on a business day .	By the end of the second business day after processing by us
Sterling paper-based payment (for example, a giro payment) to a UK based account or Euro paper-based payment to another EEA based account received after 3:30pm on a business day or on a non-business day will be processed by us on the next business day	By the end of the second business day after processing by us.
Sterling electronic payment to a UK based account or Euro electronic payment to another EEA based account made in connection with a Notice Account Withdrawal Form on a 35 Day Notice Deposit.	By the end of the business day following the end of the 35 day notice period.
All other payments to an account in the EEA received before 3:30pm on a business day .	By the end of the fourth business day.
All other payments to an account in the EEA received after 3:30pm on a business day or on a non-business day WILL BE PROCESSED BY US ON THE NEXT BUSINESS DAY	By the end of the fourth business day after processing by us.

Different timescales apply to payments outside the EEA and to payments which require different currency conversions. We can provide further information at your request.

7.6 Cancellation of a payment

We can't stop a payment you've asked us to make unless it's made by a cheque, standing order, Direct Debit or future dated payment

To stop a cheque or cancel a standing order, Direct Debit or future dated payment, you should contact your branch, your Relationship Manager or telephone banking. To cancel these payments you must tell us at least one business day before the payment is due to be made, or in the case of a cheque, presented for payment.

You can also cancel a standing order or Direct Debit through online banking. Payments can't be stopped after they have been processed. Where a payment abroad has already been made for a future value date we will not be able to cancel it unless the payee or their bank authorise the return of the money.

We may cancel any standing order or Direct Debit on your account if it's unpaid on more than one occasion and we reasonably believe that the balance on your account is unlikely to be sufficient to meet future payments.

7.7 Return of a payment

If a payment you've instructed us to make is returned, it'll be paid back into the account you made the payment from. If the amount returned is not in the same currency as that account, it'll be converted at the reference exchange rate applicable at the date and time that it's paid into your account. This means that the amount that's paid into your account may be more or less than the Sterling amount of the original payment instruction.

If you made the payment from a multi currency Cash Management account the payment may be re-credited in the currency in which it is received.

7.8 Paying charges from your account

Any charges you incur (including your service charge) will be taken directly from your account.

7.9 Tax

If you owe tax (or other charges) to an authority in connection with your account, we may take this payment from your account.

7.10 Using money in your account to repay money you owe us

If you owe us money (for example, through a loan, credit or charge card or overdraft or a guarantee liability) and the money is overdue for payment, we may take money from your account to repay some or all of the money you owe us, including any fees or interest. This is called “set-off”. We may also do this even if you don’t have enough money in your account and it becomes overdrawn as a result. We’ll never set off a debt on your account against money held in an account that you hold with someone else.

We may refuse to return to you any items deposited with us for you (including but not limited to items in safe custody or cheques (or their proceeds) for collection) until any money owed to us which is overdue for repayment is repaid.

We may set off any money we owe you (for example, as a refund or compensation or to settle a complaint you’ve made against us) to repay or reduce any money you owe us which is overdue for payment.

8. WHAT HAPPENS WHEN SOMETHING GOES WRONG?

8.1 What to do if an incorrect or unauthorised payment is taken from your account

Please be prepared to answer some security questions so we can verify your identity.

If you don’t contact us within 13 months of the payment being taken from your account, you may not be entitled to a refund.

8.2 What we’ll do if you tell us about an incorrect or late payment

The sort code and account number of an account identifies it, not the name of the account.

If you give us incorrect payment details (for example, the wrong sort code or account number) then, once you’ve told us, we’ll make reasonable efforts to recover your payment for you but we may not be able to recover the payment and we may charge you a fee for trying to recover it. If we’re unable to recover the payment we won’t refund you. If the payment has been received by the payee’s bank you should contact them for a refund. If you write to us we will provide you relevant information regarding the payment to help you recover it yourself.

If we make a payment which was our error, we’ll refund you (including any charges or interest which you’ve paid as a result of the payment being taken).

If we make or credit a payment later than we said we would, then we will put your account back in the position it would have been had we not made the error. You can also ask us to contact the other bank and ask them to correct the amount of interest on their customer’s account.

If an error is made in a Sterling Direct Debit, you’ll be entitled to a refund from the payee or from us. This is known as the Direct Debit Guarantee. For more information please see directdebit.co.uk.

8.3 What we’ll do if the payer’s bank tells us about an incorrect payment

You consent to us sharing information regarding you with the payer’s bank to help them recover the payment.

8.4 What we'll do if you tell us about an unauthorised payment

If an unauthorised payment has been taken from your account (which means that someone else has made a payment without your consent) you should tell us as soon as possible.

Whether you're entitled to a refund may depend on whether or not you're a protected customer.

We'll assess whether you're a protected customer when you tell us about an unauthorised payment.

What's happened?	If you're a protected customer	If you're not a protected customer
Unauthorised payments have been made by using your card, card details, security device or security details before you have received them.	We'll refund you for any unauthorised payments.	We'll refund you for any unauthorised payments.
Your card, card details, security device or security details are lost, stolen or misused.	We'll refund you for any unauthorised payments but we may hold you responsible for up to £35 in relation to any losses you incur. If you were not able to detect the loss, theft or misuse prior to the unauthorised payment, or if the unauthorised payment was our fault, you will not be liable for any loss	We won't refund you for any unauthorised payments if you fail to tell us about the loss or theft without delay.
You've authorised another person to use your account.	We'll only refund you for unauthorised payments made after you contact us.	We won't refund you for any unauthorised payments.
You've failed to use your card, card details, security device or security details in accordance with these Terms (for example, keep your card safe).	If your account is overdrawn and you're a sole trader or partnership of three or less partners, we'll refund you for all unauthorised payments. Otherwise, if you've acted intentionally or with gross negligence we'll only refund you for unauthorised payments made after you contact us.	We won't refund you for any unauthorised payments.
You've failed to tell us as soon as you became aware that your card, card details, security device or security details were lost, stolen or misused or an unauthorised payment was made on your account.		
You've acted fraudulently.	We won't refund you for any unauthorised payments.	We won't refund you for any unauthorised payments.

If you're entitled to a refund, we'll normally refund the unauthorised payment by no later than the end of the next business day. If we reasonably suspect that you're not entitled to a refund, we may need to investigate your claim before offering a refund and we may need additional information from you to help our investigation.

8.5 Payments processed without you agreeing the amount

Where a payment is requested by or through the payee (for example, a card payment or a Direct Debit) and you authorise it without knowing how much the final payment will be (for example, when hiring a car or booking a hotel room), then you can ask for a refund provided:

- you didn't know the exact amount of the payment when you authorised it;
- the amount of the payment exceeded what you could reasonably have expected to pay (excluding increases resulting from exchange rate fluctuations);
- the payment was made in the EEA; and
- you ask for a refund within 8 weeks of the date the payment left your account.

We may ask you for additional information to decide whether you should be refunded. We'll refund you, or explain why we're refusing the refund, within 10 business days of your request for a refund or (if we've asked you for additional information) within 10 business days of us receiving that information.

8.6 Loss not caused by an incorrect payment, unauthorised payment or payment processed without you agreeing the amount

We won't be responsible for any losses caused by circumstances beyond our control as the situation was abnormal or unforeseeable (for example, due to extreme weather, terrorist activity or industrial action).

We won't be responsible for any losses caused if we delay or refuse to process a payment:

- as a result of checks carried out as part of the proper operation of our payment processing systems; or
- where we reasonably believe it is prudent to do so to prevent a crime or comply with laws or regulations.

We won't be responsible for any indirect loss.

9. OVERDRAFTS AND UNPAID TRANSACTIONS

9.1 Arranged overdrafts

Arranged overdrafts may be available on request on the Business Current Account and the Business Treasury Cash Management Account if you satisfy our lending criteria.

If we provide you with an arranged overdraft, we'll send you an overdraft agreement setting out its terms.

9.2 Unarranged overdrafts

If you give us an instruction which would result in:

- your account becoming overdrawn (or further overdrawn) without an arranged overdraft; or
- your arranged overdraft limit being exceeded,

we'll treat this as a request for an unarranged overdraft.

To decide if your instruction would create an unarranged overdraft, we'll only consider the available balance (plus any available arranged overdraft) on your account.

We'll decide whether or not to accept your request for an unarranged overdraft, taking your financial circumstances into account. If we allow an unarranged overdraft to be created, this doesn't mean that your arranged overdraft limit has been changed or that we must make any future payment which would have the same effect.

We may take overdraft interest or any of our fees from your account even if this creates or increases an unarranged overdraft. The Customer will pay interest on the overdrawn amount, at the Bank's unarranged borrowing rate. The unarranged borrowing rate is available from the Bank on request.

Unarranged overdrafts are repayable on demand which means we can request that you repay them at any time.

If you have a foreign currency account and we demand repayment of your unarranged overdraft, we may convert the balance into Sterling if the amount demanded is in another currency. Any conversion will be made using our prevailing rate at the date and time of the conversion.

9.3 Our costs

You're responsible for paying any costs we reasonably incur to obtain repayment of any money you owe us (for example, court fees).

9.4 Repaying or reducing an overdraft

If your account is overdrawn, any money paid into your account will be applied in the following order:

- in repaying or reducing any part of the overdrawn balance which represents a Paid Referral Fee or an Unpaid Item Fee;
- in repaying or reducing any remaining unarranged overdraft balance; and
- in repaying or reducing any arranged overdraft balance.

10. MAKING CHANGES TO OUR AGREEMENT

10.1 Reasons for changes to the agreement

We may change these Terms (this includes changing or introducing new fees and interest rates) if we have a valid reason for doing so.

10.2 Converting your account

We can convert your account to another account in our range which we reasonably believe is appropriate for you. We can do this if:

- we decide to no longer offer that particular type of account;
- you're no longer eligible for the account (for example, your turnover exceeds the threshold set for your account type); or
- you're paying for an account you no longer or rarely use.

10.4 Foreign currency conversion

Our exchange rates are based on our prevailing rate at the date and time that a foreign currency payment is processed. Before you make a payment, you can ask us to tell you the actual exchange rate that will be applied to the payment and we'll provide this information where it's possible. If we're unable to tell you the actual exchange rate before the payment is processed, we'll provide it to you as soon as we reasonably can afterwards.

10.5 Transferring rights or obligations under this agreement

We may transfer our rights or responsibilities under the agreement to another person or organisation in the future. We'll only do this if we reasonably believe that you'll be treated to the similar standard after the transfer as we treated you beforehand.

11. CLOSING YOUR ACCOUNT

11.1 How to close your account

If you're a protected customer and you're unhappy with your account, you may cancel it up to 14 days' after it's opened. We won't charge you any extra fees unless we've supplied you with any services before you cancel your account.

Unless otherwise stated, you can also close your account at any time (irrespective of whether you are a protected customer) and there are no termination fees.

If you'd like to close your account, please write to your Relationship Manager or Branch Manager. We'll forward any money in your account to you after:

The GDGS can pay compensation to depositors if a credit institution is unable to meet its financial obligations. Ordinarily, most depositors – including individuals, corporations and small businesses – can claim back up to EUR 100,000 of their deposits (or EUR 100,000 for each eligible account holder if it's a joint account). However, there are important exclusions which apply to certain depositors, which are set out on the website of the GDGS. For further information about the compensation provided by the GDGS refer to: www.gdgb.gi

Under the scheme(s) customers are entitled to make only one claim per licensed entity regardless of the number of brands or trading names contained within that licensed entity and customers are entitled to make one claim only per licensed entity in the jurisdiction where the deposits are held. Therefore as NatWest International brand is operated by RBS International it is not licensed in its own right. A person with a deposit in NatWest International and a deposit in RBS International would thus only be entitled to make one claim.

Not all accounts will be covered by these schemes, and further details of these schemes are available on request.
