Important information about the Debit card

When you request a Debit card or cards for use on your account, on their sole authority every Cardholder will be able to:

- Withdraw cash up to the daily amount from ATMs (max £1,500 per day across all Cardholders on an account)
- Make purchases for any amount, up to the limit of the total available balance in the account in accordance with the terms and conditions and Debit card mandate below.

If your bank account mandate contains any rules or restrictions on the number of signatories required to make transactions of a certain value, these will not apply to transactions made by Cardholders with a Debit card.

Please consider this information carefully when deciding to request a Debit card.

Debit card Terms

1. CARD ISSUE

- 1.1 The Bank may issue a Debit card for use on an Account, and a PIN for use with the card, to the Cardholder, who will be the Customer or someone else at the Customer's request.
- 1.2 Each card will bear the name of the Cardholder. Cardholders may only use the card issued with their name.

2. CARD USE

- 2.1 The Cardholder may:
 - 2.1.1 use a card with the PIN to obtain cash from cash machines or over the counter at any bank, or bureau de change displaying the logo on the card;
 - 2.1.2 use a card for purchases (and to obtain cash at the same time) from suppliers displaying the logo on the card.

The amount of cash that may be withdrawn is the lowest of:

 - any cash machine, bank, bureau de change or supplier restrictions
 - the Customer's agreed daily cash withdrawal limit
 - the available funds on the Account
- 2.2 The Customer will ensure that each Cardholder:
 - 2.2.1 complies with the Agreement and any security measures advised by the Bank;
 - 2.2.2 discloses the card number to third parties only in order to carry out a card transaction;
 - 2.2.3 signs any card issued immediately on receipt;
 - 2.2.4 memorises any PIN, never records the PIN in a way that might be recognised by someone else and does not disclose the PIN to any person;
 - 2.2.5 takes reasonable care of the card;
 - 2.2.6 does not use a card while it is suspended, after it has been cancelled or in breach of any restriction;
 - 2.2.7 only uses the card for business purposes.
- 2.3 The Bank may disclose information to any Cardholder. This information will include, but will not be restricted to details of the Account.
- 2.4 The Bank may disclose information to a third party where it is necessary to carry out card transactions or to comply with its obligations as a payment scheme member.
- 2.5 When the Bank issues a replacement card, it may be under a different payment scheme.
- 2.6 A card transaction is authorised by the Customer where a Cardholder follows the supplier's requirements which may include:
 - entering the PIN
 - signing a sales voucher
 - providing the card details and any other details requested
 - using a card reader
 - using a card and the PIN at a cash machine or any bank counter
 - providing the card details and requesting a transfer from the Account

Card transactions can be single payments or recurring transactions for a specified number of payments or indefinitely.
- 2.7 Future transactions can be authorised for certain or unspecified amounts. A Customer or Cardholder may sometimes use a card to authorise a payment where the amount that is to be paid is not known, for example when checking into a hotel or hiring a car. If this happens the Customer or Cardholder should be asked to confirm the exact amount that will be blocked on the account. If the Customer or Cardholder has agreed that an exact amount can be blocked, the Bank will reduce the available funds and that amount will not be available for use. Once the Bank becomes aware of the amount of the transaction, the Bank will restore the available funds. If the Customer or Cardholder makes the

payment using a different card or payment method, the Bank will not know that payment has been made and it may take the Bank longer to restore the available funds, but the Bank will usually release the blocked funds after 7 days.

- 2.8 A supplier may ask the Bank for authorisation before accepting payment by card. The Bank may decide not to give authorisation if:
 - 2.8.1 the card has been reported as lost, stolen or misused, or the Bank has reason to suspect it is lost, stolen or misused;
 - 2.8.2 the Customer or Cardholder has broken the Agreement;
 - 2.8.3 there are insufficient funds available on the Account. If the supplier is not able to request immediate authorisation, a transaction may be declined.

3. TRANSACTIONS

- 3.1 Card transactions will normally be applied to the Account on the same day or the next Business Day.
- 3.2 We'll convert any payment made in a foreign currency using your card into pounds sterling using the Mastercard Payment Scheme Exchange. If you'd like to see the most up-to date rates you can visit [mastercard.co.uk/convert-currency](https://www.mastercard.co.uk/convert-currency). All card payments made in a currency other than Sterling will be converted into Sterling by us on the date the transaction is processed, using the Mastercard Payment Scheme Exchange Rate. We will then charge the Non Sterling Transaction Fee on the value of the transaction.

The exchange rate may not be the same as the rate which applied on the date the transaction was made, if the payment is processed by the relevant payment scheme after that date. Additional charges on transactions abroad will apply depending on the transaction method as shown in the cardholder guide.
- 3.3 The Bank does not guarantee that a Cardholder will always be able to use the card.
- 3.4 If the Customer claims a refund from the merchant, the Bank will credit the Account with the amount of the refund when the Bank has received the refund advice from the merchant.
- 3.5 Once the Cardholder has carried out a transaction, the Customer cannot ask the Bank to stop that transaction.
- 3.6 If a card transaction overdraws the Account or exceeds an agreed overdraft limit it will create an unarranged overdraft.

4. LOST STOLEN OR MISUSED CARDS

- 4.3 The Bank may disclose relevant information to a third party if it is in connection with the loss, theft or possible misuse of the card or PIN.

- 4.4 When using the card on the internet the Customer or Cardholder may be required to enter a One Time Passcode to complete the transaction. This One Time Passcode will be sent by text message to the mobile number the Customer has provided to the Bank.

5. PAYMENTS AND CHARGES

- 5.1 The Customer will meet all expenditure, charges and interest incurred through the use of all cards including where the Bank has suspended, cancelled or restricted their use or where the details on the sales voucher are wrong or where no sales voucher is signed, if the Cardholder has authorised the transaction.
- 5.2 The Customer will pay charges as agreed and confirmed at account opening which are set out in detail in Term 8, Debit card charges.

6. NOTIFICATION/CANCELLATION

- 6.1.2 cut through the magnetic strip and the chip of any card which a Cardholder is no longer permitted to use and destroy it;
- 6.1.3 notify all suppliers with a continuing payment authority that a card has been cancelled.

7. ENDING THE USE OF THE CARD

- 7.1 The Customer may, at any time, end the use of a card by written notice to the Bank and returning the card to the Bank cut through the magnetic strip and the chip.
- 7.2 The Bank may suspend or terminate the use of a card with immediate effect:
- 7.2.1 for security reasons;
- 7.2.2 where the Customer materially breaches the Agreement;
- 7.2.3 where the Bank suspects unauthorised or fraudulent use of the card;
- 7.2.4 if any other circumstances occur which cause the Bank to believe that the Customer's obligations to the Bank may not be met. Unless there is a security or other legal reason not to, the Bank will notify the Customer either before it takes action, or immediately after, and give reasons for doing so.
- 7.3 If the use of a card is terminated, the Customer must cut through the magnetic strip and the chip of the card and destroy it.
- 7.4 If the Account is closed the Customer must not use a card for any further transactions or to guarantee payment of cheques.
