## High Value Payments Amounts and Notices

Inward and outward High Value Payments require prior notification or approval (depending on amount). High Value Payments are a single payment (or series of intra day payments cumulatively) which amount to or exceed the figures published or notified to you from time to time. The amount of and notice period for a High Value Payment may be varied by us at any time, but we will give five business days' notice of any change.

If you give us Instructions to make a High Value Payment or a High Value Payment is received for credit to your Account other than in accordance with the new Terms we may refuse to act on your Instruction or accept the credit into your account. The Bank will not be liable to you for any loss such a refusal may cause.
