NatWest International is covered by the Gibraltar Deposit Guarantee Scheme ('GDGS'). The GDGS can pay compensation to depositors if a credit institution is unable to meet its financial obligations. However, there are important exclusions which apply to certain depositors, which are set out on the website of the GDGS. For further information about the compensation provided by the GDGS refer to: gdgb.gi

Under the scheme(s) customers are entitled to make only one claim per licensed entity regardless of the number of brands or trading names contained within that licensed entity and customers are entitled to make one claim only per licensed entity in the jurisdiction where the deposits are held. Therefore as NatWest International brand is operated by RBS International it is not licensed in its own right. A person with a deposit in NatWest International and a deposit in RBS International would thus only be entitled to make one claim.
